## **6<sup>th</sup> Sunday of Easter**

**25/5/2025**

*Theme: “Go! Carry on his mission in Synodality.”*

### **Introduction:**

Dear brothers and sisters, our Lord is a missionary by nature. He creates men, takes care of him, guides him and saves him from sin through the passion of his son Jesus Christ. God continues his mission in this world by making men his missionaries. Today let us positively respond to his call to work together on this 6<sup>th</sup> Sunday of Easter with the theme **“Go! Carry on his mission in Synodality”**.

The Word of God helps us carry on his mission. Whenever we are unsteady, we need to find our answers through his Word. Let us enthrone his Word as a sign of gratitude and honour by venerating it with a garland and lighting a lamp. Let us thank God for giving us an opportunity to work together with him to carry on his mission and ask for his grace to do this in this Holy Eucharist.

### **Prayers of the Faithful:**

Let our response be: Lord, help us to love you and love one another.

1. That Our Pope Leo XIV, the Bishops and all the clergy may create a synodal mind towards the church and may the Holy spirit guide them throughout. We pray
2. That the leaders of all our countries renounce war between nations and work towards peace and harmony around the world ...We pray
3. That we in our families, communities and neighbourhood may spread equality and be pilgrims of hope in our society ...Let us pray
4. Mother Mary carried on the Mission of her Son Jesus Christ and later gave it to his Disciples who in unity took care of the first church. May all the differences within his people, which exist now a days be cleansed and all of us be United in Christ ..We pray
5. For the Parish Youth animating today’s liturgy, may they be examples to others in carrying on Christs mission and grow in his experience and love. We pray.
